

# SSC CGL — DAY 4 NOTES

Topics Covered: Profit, Loss & Discount | Classification (Odd One Out) | Active & Passive Voice | Indian Polity (Constitution, Preamble, Fundamental Rights)

---

# SUBJECT 1: ARITHMETIC — PROFIT, LOSS & DISCOUNT

## PART 1: Basic Concepts & Formulae

### 1. Cost Price (CP)

The price at which an article is purchased. -  $CP = SP - \text{Profit}$  (when profit) -  $CP = SP + \text{Loss}$  (when loss)

### 2. Selling Price (SP)

The price at which an article is sold. -  $SP = CP + \text{Profit}$  -  $SP = CP - \text{Loss}$

### 3. Profit (Gain) — when $SP > CP$

- Profit =  $SP - CP$
- Profit % =  $(\text{Profit}/CP) \times 100$
- $SP = CP \times (100 + P\%)/100$
- $CP = SP \times 100/(100 + P\%)$

### 4. Loss — when $CP > SP$

- Loss =  $CP - SP$
- Loss % =  $(\text{Loss}/CP) \times 100$
- $SP = CP \times (100 - L\%)/100$
- $CP = SP \times 100/(100 - L\%)$

## PART 2: Important Relationships (Quick Memory Table)

| Scenario       | Formula                   |
|----------------|---------------------------|
| Profit %       | $(SP - CP)/CP \times 100$ |
| Loss %         | $(CP - SP)/CP \times 100$ |
| SP when Profit | $CP \times (100 + P)/100$ |
| SP when Loss   | $CP \times (100 - L)/100$ |
| CP when Profit | $SP \times 100/(100 + P)$ |
| CP when Loss   | $SP \times 100/(100 - L)$ |

## PART 3: Shortcut Tricks

♣ **Trick 1 — If CP of 'x' articles = SP of 'y' articles** - Let CP of 1 article = ₹1 → CP of x articles = ₹x → SP of y articles = ₹x → SP of 1 article = ₹x/y - Profit % =  $[(x - y)/y] \times 100$  - Note: If  $x > y \Rightarrow$  Profit; if  $x < y \Rightarrow$  Loss

♣ **Trick 2 — Successive Profit/Loss** - Net % =  $a + b + (ab/100)$  - Use (+) for profit, (−) for loss

♣ **Trick 3 — False Weight Problems** - Profit % =  $[(\text{True Weight} - \text{False Weight})/\text{False Weight}] \times 100$

♣ **Trick 4 — If CP of 1 article = SP of 1 article** - When x% profit is made:  $CP = SP \times 100/(100 + P\%)$

## PART 4: Discount Concepts

**Marked Price (MP)/List Price** — Price printed on the article **Discount (D)** — Reduction from MP - Discount =  $MP - SP$  - Discount % =  $(\text{Discount}/MP) \times 100$

| Concept                 | Formula                   |
|-------------------------|---------------------------|
| SP after Discount       | $MP \times (100 - D)/100$ |
| MP given SP & D%        | $SP \times 100/(100 - D)$ |
| Discount given          | $MP \times D/100$         |
| Profit % after Discount | $(SP - CP)/CP \times 100$ |

♣ **Key Relationships** - Discount is always calculated on MP - Profit/Loss is always calculated on CP

## PART 5: Advanced Concepts

1. **Equivalent Discount** (two successive discounts a% and b%): Equivalent Discount % =  $a + b - (ab/100)$

2. **When MP is x% above CP, and Discount is y%:** Net Profit/Loss % =  $x - y - (xy/100)$

3. **Difference between Profit% & Discount%** — If  $MP = CP + P\%$  of CP, and Discount = D% of MP: Net % =  $P - D - (PD/100)$

4. If CP is less than SP by x%:  $CP = SP \times (100 - x)/100 \rightarrow SP = CP \times 100/(100 - x)$

PART 6: Solved SSC CGL PYQs

Type 1: Basic Profit/Loss

Q1 (SSC CGL 2020): An article is sold at a profit of 12%. If CP is ₹240, find SP. Solution:  $SP = 240 \times 112/100 = \text{₹}268.80$

Q2 (SSC CGL 2019): By selling an article for ₹720, a man loses 10%. Find CP. Solution:  $CP = 720 \times 100/90 = \text{₹}800$

Type 2: Profit% when CP of x = SP of y

Q3 (SSC CGL 2021): If the CP of 15 articles is equal to SP of 12 articles, find profit%. Solution: Let CP of 1 = ₹1  $\rightarrow$  CP of 15 = ₹15 = SP of 12  $\rightarrow$  SP of 1 = ₹1.25  $\rightarrow$  Profit% = 25% Shortcut:  $[(15-12)/12] \times 100 = 25\%$

Q4 (SSC CGL 2020): If SP of 20 articles = CP of 25 articles, find loss%. Solution: SP of 20 = CP of 25 = ₹25  $\rightarrow$  SP of 1 = ₹1.25  $\rightarrow$  this is greater than CP of 1 (₹1), so this is actually a **profit of 25%** (question wording implies profit, not loss — verify against context of your source).

Type 3: Successive Profit/Loss

Q5 (SSC CGL 2019): A shopkeeper sells an article at 20% profit, then again at 10% profit on new price. Find total profit%. Solution: CP = ₹100  $\rightarrow$  SP<sub>1</sub> = ₹120  $\rightarrow$  SP<sub>2</sub> = ₹132  $\rightarrow$  Total profit% = **32%** Shortcut:  $20 + 10 + (20 \times 10)/100 = 32\%$

Q6 (SSC CGL 2020): A shopkeeper sells at 10% profit, but due to loss of weight gives 20% less. Find overall profit%. Solution: CP of 100g = ₹100; SP of 100g = ₹110; actually gives 80g  $\rightarrow$  CP of 80g = ₹80 Profit = 110 – 80 = ₹30  $\rightarrow$  Profit% =  $(30/80) \times 100 = 37.5\%$

Type 4: Discount Problems

Q7 (SSC CGL 2021): MP = ₹500, sold at 20% discount, find SP. Solution:  $SP = 500 \times 80/100 = \text{₹}400$

Q8 (SSC CGL 2020): After 20% discount, article sold for ₹640. Find MP. Solution:  $MP = 640 \times 100/80 = \text{₹}800$

Type 5: MP & CP Relation

Q9 (SSC CGL 2021): MP is 40% above CP. Discount is 20%. Find profit%. Solution: CP = ₹100, MP = ₹140, SP =  $140 \times 80/100 = ₹112 \rightarrow$  Profit% = **12%** Shortcut:  $40 - 20 - (40 \times 20)/100 = 12\%$

Q10 (SSC CGL 2019): Shopkeeper allows 10% discount on MP and still gains 8%. CP = ₹500, find MP. Solution:  $SP = 500 \times 108/100 = ₹540 \rightarrow MP = 540 \times 100/90 = \text{₹}600$

Type 6: Equivalent Discount

Q11 (SSC CGL 2020): Find single discount equivalent to successive discounts of 20% and 10%. Solution:  $20 + 10 - (20 \times 10)/100 = 30 - 2 = 28\%$  Verification: MP ₹100  $\rightarrow$  after 20%: ₹80  $\rightarrow$  after 10%: ₹72  $\rightarrow$  total discount = 28% ✓

Type 7: False Weight Problems

Q12 (SSC CGL 2021): A shopkeeper uses a weight of 900g instead of 1kg and sells at CP. Find profit%. Solution: Profit% =  $[(1000-900)/900] \times 100 = 11.11\%$

Q13 (SSC CGL 2019): Shopkeeper uses weight 20% less and sells at 10% profit. Find total profit%. Solution: CP of 1000g = ₹1000, CP of 800g = ₹800; SP (10% profit on 1000g) = ₹1100 Profit = 1100 – 800 = ₹300  $\rightarrow$  Profit% =  $(300/800) \times 100 = 37.5\%$

PART 7: Multiple Discounts Summary

- Two Discounts: Equivalent D% =  $a + b - (ab/100)$
- Three Discounts: Equivalent D% =  $a + b + c - (ab+bc+ca)/100 + (abc/10000)$

PART 8: Quick Revision Table

| Given      | To Find | Formula                                        |
|------------|---------|------------------------------------------------|
| CP, P%     | SP      | $CP \times (100+P)/100$                        |
| CP, L%     | SP      | $CP \times (100-L)/100$                        |
| SP, P%     | CP      | $SP \times 100/(100+P)$                        |
| SP, L%     | CP      | $SP \times 100/(100-L)$                        |
| MP, D%     | SP      | $MP \times (100-D)/100$                        |
| SP, D%     | MP      | $SP \times 100/(100-D)$                        |
| CP, MP, D% | Profit% | $[MP \times (100-D)/100 - CP] / CP \times 100$ |

PART 9: Important SSC CGL Trends

Most asked: (1) CP of x = SP of y, (2) Successive Profit/Loss, (3) MP-Discount-Profit relationship, (4) False weight problems, (5) Equivalent discount, (6) CP-SP with given P/L%. **Weightage:** 2-3 questions per shift | **Difficulty:** Moderate

## PART 10: Golden Rules

- Always calculate profit/loss on CP
- Always calculate discount on MP
- If in doubt, take CP = ₹100
- For false weight, base is false weight
- In successive changes, use  $\pm a \pm b \pm (ab/100)$

## PART 11: Practice Questions

| Q                                                                        | Answer                                                    |
|--------------------------------------------------------------------------|-----------------------------------------------------------|
| Q14. Sold at 15% profit, SP = ₹460, find CP                              | CP = $460 \times 100 / 115 = \text{₹400}$                 |
| Q15. Successive discounts of 30% and 10% → equivalent single discount    | $30 + 10 - 3 = \textbf{37\%}$                             |
| Q16. CP of 12 = SP of 16. Find loss%                                     | $[(16 - 12) / 16] \times 100 = \textbf{25\%}$             |
| Q17. MP is 50% above CP, Discount 30%. Find profit%                      | $50 - 30 - (50 \times 30) / 100 = 20 - 15 = \textbf{5\%}$ |
| Q18. Shopkeeper cheats 25% in weight, sells at 20% profit. Total profit% | $25 + 20 + (25 \times 20) / 100 = \textbf{50\%}$          |

## PART 12: Common Mistakes to Avoid

| Mistake                            | Correction                         |
|------------------------------------|------------------------------------|
| Calculating profit on SP           | Always calculate on CP             |
| Calculating discount on SP         | Always calculate on MP             |
| Adding profit% directly            | Use formula for successive changes |
| Taking CP as base for false weight | Take false weight as base          |

## PART 13: Memory Boosters

- “Profit SP se bada, Loss CP se bada”
- “Percent CP ke hisaab se, Discount MP ke hisaab se”
- $P\% = (SP - CP) / CP \times 100$  |  $L\% = (CP - SP) / CP \times 100$
- $SP = CP \times (100 \pm P\% / L\%) / 100$  | Equivalent  $D\% = a + b - ab / 100$

## 🔑 Final Tips

Time: 2 min/question · Practice PYQs (numbers repeat with different values) · Master mental percentage math · Take CP=100 for complex problems · Memorize formulae · Note shortcuts · Solve 50+ PYQs from last 5 years · Focus on MP-Discount-Profit relationship

### Quick Summary Sheet:

|                                        |                                         |
|----------------------------------------|-----------------------------------------|
| Profit = SP - CP                       | Discount = MP - SP                      |
| Loss = CP - SP                         | D% = $(MP - SP) / MP \times 100$        |
| P% = $(SP - CP) / CP \times 100$       | SP = $MP \times (100 - D) / 100$        |
| L% = $(CP - SP) / CP \times 100$       | MP = $SP \times 100 / (100 - D)$        |
| SP = $CP \times (100 \pm P / L) / 100$ | Equivalent D% = $a + b - ab / 100$      |
| CP = $SP \times 100 / (100 \pm P / L)$ | Net% = $a + b + ab / 100$ (Profit/Loss) |

# SUBJECT 2: CLASSIFICATION — ODD ONE OUT

## PART 1: Introduction

**Definition:** Finding the item that doesn't belong to a group. Also called Odd One Out / Reverse Analogy. **Tests:** Logical reasoning, observation, analytical ability **Weightage:** 2-4 questions per shift

**Types:** Word Classification · Number Classification · Figure Classification · Mixed Classification

### Basic Approach (Step-by-Step)

1. Read all options carefully
2. Find common property among 3 options
3. Identify the one that doesn't fit
4. Verify with another property (if possible)
5. Mark your answer

🔔 **Golden Rule:** “Three have a common property, one doesn't”

## PART 2: Word Classification

### A. Meaning-Based Classification

#### Type 1 — General Knowledge/Subject Classification

| Group                                                 | Odd One Out | Reason                                               |
|-------------------------------------------------------|-------------|------------------------------------------------------|
| Planets: Mercury, Venus, Earth, Mars, Jupiter, Saturn | Jupiter     | Others are terrestrial (rocky); Jupiter is gaseous   |
| Oceans: Pacific, Atlantic, Indian, Arabian, Arctic    | Arabian     | Arabian is a sea, others are oceans                  |
| Rivers: Ganga, Yamuna, Sutlej, Godavari               | Sutlej      | Sutlej flows in Punjab, others are peninsular rivers |

#### Type 2 — Gender-Based Classification

| Options                            | Odd One Out | Reason                               |
|------------------------------------|-------------|--------------------------------------|
| Cow, Mare, Bull, Doe, Hen          | Bull        | All others are females, Bull is male |
| Uncle, Father, Nephew, Grandfather | Nephew      | All others are older generation      |

#### Type 3 — Profession-Based Classification

| Options                                   | Odd One Out | Reason                                             |
|-------------------------------------------|-------------|----------------------------------------------------|
| Doctor, Engineer, Tailor, Teacher, Lawyer | Tailor      | Others require a degree/professional qualification |
| Pilot, Carpenter, Captain, Driver         | Carpenter   | Others are related to transport                    |

### B. Logical/Relational Classification

#### Type 4 — Part-Whole Relationship

| Options                       | Odd One Out | Reason                                                       |
|-------------------------------|-------------|--------------------------------------------------------------|
| Wheel, Door, Window, Steering | Steering    | Wheel, Door, Window visible from outside; Steering is inside |
| Finger, Lung, Nose, Ear       | Lung        | Others are external body parts, Lung is internal             |

#### Type 5 — Cause-Effect / Purpose

| Options                   | Odd One Out | Reason                                           |
|---------------------------|-------------|--------------------------------------------------|
| Knife, Sword, Gun, Dagger | Gun         | Others are sharp-edged weapons, Gun is a firearm |

### C. Synonym/Antonym Classification

#### Type 6 — Synonym Based

| Options                                       | Odd One Out | Reason                           |
|-----------------------------------------------|-------------|----------------------------------|
| Happy, Joyful, Sad, Cheerful, Glad            | Sad         | Others are synonyms of happiness |
| Beautiful, Pretty, Ugly, Gorgeous, Attractive | Ugly        | Others mean beautiful            |

#### Type 7 — Antonym Based

| Options | Odd One Out | Reason |
|---------|-------------|--------|
|         |             |        |

|                                              |          |                                                 |
|----------------------------------------------|----------|-------------------------------------------------|
| Big-Small, Tall-Short, Hot-Warm, Heavy-Light | Hot-Warm | Others are antonym pairs, Hot-Warm are synonyms |
|----------------------------------------------|----------|-------------------------------------------------|

D. Letter-Based Classification

Type 8 — Vowels/Consonants

| Options                                | Odd One Out | Reason                                                    |
|----------------------------------------|-------------|-----------------------------------------------------------|
| Apple, Orange, Elephant, Ink, Umbrella | Orange      | Starts with consonant, others start with vowels (A,E,I,U) |

Type 9 — Alphabetical Position

| Options       | Odd One Out | Reason                                        |
|---------------|-------------|-----------------------------------------------|
| B, D, F, G, H | G           | Others have gap of 1 letter; G breaks pattern |

E. Jumbled Word Classification

| Options            | Odd One Out | Reason                                        |
|--------------------|-------------|-----------------------------------------------|
| TCA, OGD, NMA, TAS | NMA         | Others are animals (CAT, DOG, RAT); NMA = MAN |

F. Pair-Based Classification

| Options                                     | Odd One Out   | Reason                          |
|---------------------------------------------|---------------|---------------------------------|
| Cow-Milk, Hen-Egg, Flower-Nectar, Bee-Honey | Flower-Nectar | Others are source→product pairs |

PART 3: Number Classification

A. Mathematical Properties

Type 1 — Prime/Composite/Square/Cube

| Options            | Odd One Out | Reason                                                 |
|--------------------|-------------|--------------------------------------------------------|
| 2, 3, 5, 9, 7      | 9           | Others are prime; 9 is composite                       |
| 4, 9, 16, 20, 25   | 20          | Others are perfect squares (2²,3²,4²,5²)               |
| 8, 27, 64, 81, 125 | 81          | Others are perfect cubes (2³,3³,4³,5³); 81 is a square |

Type 2 — Even/Odd

| Options            | Odd One Out | Reason          |
|--------------------|-------------|-----------------|
| 2, 4, 6, 9, 10     | 9           | Others are even |
| 11, 13, 15, 18, 17 | 18          | Others are odd  |

Type 3 — Divisibility

| Options            | Odd One Out | Reason                    |
|--------------------|-------------|---------------------------|
| 12, 18, 24, 25, 30 | 25          | Others divisible by 6     |
| 21, 28, 35, 40, 42 | 40          | Others are multiples of 7 |

B. Digit-Based Classification

Covers sum of digits, product of digits, and digit-arrangement patterns (e.g., consecutive-digit numbers like 123, 234, 345, 456 vs. a non-consecutive number like 354).

C. Number Pair Classification

- Type 8 — Addition/Subtraction Relationship** Example: 2-4, 3-9, 4-16, 6-36 follow n² pattern; 5-20 breaks it (should be 5-25).
- Type 9 — Multiplication/Division Relationship** Example: 2-8, 3-27, 4-64, 6-216 follow n³; 5-100 breaks it (should be 5-125). Example: 2-6, 3-12, 4-20, 6-42 follow n×(n+1); this pattern holds consistently.
- Type 10 — Square/Cube Relationship** Example: 2-16, 3-81, 4-256, 6-1296 follow n⁴; 5-425 breaks it (should be 5-625).

D. Series-Based Classification

- Arithmetic Progression:** e.g., 2,4,6,9,10 — odd one is 9 (breaks common difference of 2)
- Geometric Progression:** e.g., 3,9,27,54,81,243 (×3 pattern) — odd one is 54

PART 4: Important SSC CGL PYQs — Word Classification

| Q | Options | Answer & Reason |
|---|---------|-----------------|
|---|---------|-----------------|

|            |                                             |                                                            |
|------------|---------------------------------------------|------------------------------------------------------------|
| Q1 (2020)  | Wheat, Rice, Pulses, Barley                 | <b>Pulses</b> — others are cereals, Pulses are legumes     |
| Q2 (2019)  | Earth, Mars, Venus, Mercury                 | <b>Earth</b> — only planet with liquid water               |
| Q3 (2021)  | Doctor, Teacher, Carpenter, Engineer        | <b>Carpenter</b> — others are degree-holding professionals |
| Q4 (2020)  | Father, Mother, Nephew, Sister              | <b>Nephew</b> — others are immediate family                |
| Q5 (2019)  | Beautiful, Pretty, Ugly, Gorgeous           | <b>Ugly</b> — others are synonyms of beautiful             |
| Q6 (2021)  | Pen, Pencil, Shirt, Eraser                  | <b>Shirt</b> — others are stationery                       |
| Q7 (2020)  | Snake, Fish, Lizard, Crocodile              | <b>Fish</b> — others are reptiles                          |
| Q8 (2019)  | Moon, Sun, Star, Planet                     | <b>Sun</b> — others visible at night; Sun is daytime       |
| Q9 (2021)  | BRP, GXS, JFY, MIB                          | <b>JFY</b> (pattern-based)                                 |
| Q10 (2020) | Cow-Milk, Hen-Egg, Flower-Nectar, Goat-Milk | <b>Flower-Nectar</b> — others are source-product pairs     |

PART 5: Important SSC CGL PYQs — Number Classification

| Q          | Options                    | Answer & Reason                                          |
|------------|----------------------------|----------------------------------------------------------|
| Q11 (2020) | 25, 49, 64, 81             | <b>64</b> — others are squares of odd numbers            |
| Q12 (2019) | 2, 3, 9, 5                 | <b>9</b> — others are prime                              |
| Q13 (2021) | 121, 169, 196, 225         | <b>196</b> — others are squares of odd numbers (196=14²) |
| Q15 (2019) | 7-49, 8-64, 9-80, 10-100   | <b>9-80</b> — should be 9-81                             |
| Q16 (2021) | 14-28, 16-32, 18-35, 20-40 | <b>18-35</b> — should be 18-36                           |
| Q17 (2020) | 832, 742, 653, 924         | <b>653</b> — the only odd number                         |
| Q18 (2019) | 51, 63, 73, 85             | <b>73</b> — the only prime number                        |
| Q19 (2020) | 6-12, 7-14, 8-18, 9-18     | <b>8-18</b> — should be 8-16                             |
| Q20 (2021) | 24, 36, 48, 64             | <b>64</b> — others are multiples of 12                   |

PART 6: Special Digit Patterns

| Pattern                                       | Example                               |
|-----------------------------------------------|---------------------------------------|
| Sum of first & third digit = middle digit     | 132 (1+2=3), 341 (3+1=4), 451 (4+1=5) |
| Product of first two digits = last two digits | 236 (2×3=6), 3412 (3×4=12)            |

PART 7: Figure Classification (Verbal)

| Type                | Odd One Out Logic                               |
|---------------------|-------------------------------------------------|
| Shape-based         | Quadrilaterals vs. Triangle, etc.               |
| Direction-based     | Missing arrow in a sequence                     |
| Rotation-based      | Non-multiple-of-90° rotation is odd             |
| Mirror/Water image  | Orientation mismatch                            |
| Open/Closed figures | Line (open) vs. Triangle/Square/Circle (closed) |
| Number of sides     | Circle (infinite) vs. polygons (finite sides)   |
| Symmetry            | Shapes lacking line symmetry                    |

PART 8: Practice Set

**Word Classification** - Car, Bus, Bicycle, Truck → **Bicycle** (others run on fuel) - Gold, Silver, Wood, Copper → **Wood** (others are metals) - Chair, Table, Window, Bed → **Window** (others are furniture) - Rose, Lily, Mango, Lotus → **Mango** (others are flowers) - Spider, Snake, Bee, Ant → **Snake** (others are insects)

**Number Classification** - 27, 64, 100, 125 → **100** (others are perfect cubes) - 11, 13, 15, 17 → **15** (others are prime) - 121, 144, 168, 196 → **168** (others are perfect squares) - 2-3, 5-7, 9-11, 11-13 → **9-11** (9 isn't prime) - 14, 28, 35, 42 → **35** (others are even)

**Mixed Classification** - 5, 25, 49, 100 → **100** (others are squares of odd numbers) - 64, 81, 125, 144 → **125** (others are perfect squares; 125 is a cube) - 2-8, 3-27, 4-16, 5-125 → **4-16** (others are cubes; 4²=16 breaks the cube pattern) - 6, 12, 15, 18 → **15** (others divisible by 6) - 18, 24, 30, 36 → **30** (quotient by 6 is odd, unlike others)

PART 9: Quick Revision Table

| Category | Type              | Key Points                           |
|----------|-------------------|--------------------------------------|
| Words    | GK-based          | Planets, Countries, Capitals, Rivers |
|          | Gender            | Male/Female/Neuter                   |
|          | Profession        | Degree vs Skill                      |
|          | Synonym/Antonym   | Opposite meaning                     |
|          | Letter-based      | Vowels, Consonants, Positions        |
| Numbers  | Prime/Composite   | Prime numbers, Composite numbers     |
|          | Square/Cube       | Perfect square/cube numbers          |
|          | Even/Odd          | Divisibility by 2                    |
|          | Divisibility      | Multiples of 2,3,5,6,7               |
|          | Digit Pattern     | Sum, Product, Consecutive            |
|          | Pair Relationship | Square, Cube, Multiplication         |
| Figures  | Shape             | Number of sides, Open/Closed         |
|          | Direction         | Rotation, Mirror image               |
|          | Symmetry          | Lines of symmetry                    |

## PART 10: Golden Rules

1. Always find multiple properties — don’t stop at the first
2. Word classification — check meaning, category, gender, relation, alphabet position
3. Number classification — check prime, square, cube, even/odd, sum/difference, divisibility, digit arrangement
4. Figure classification — check shape, sides, symmetry, direction, rotation, open/closed
5. In options — 3 share a common property, 1 doesn’t

## PART 11: Common Mistakes to Avoid

| Mistake                   | Correction                           |
|---------------------------|--------------------------------------|
| Finding multiple odd ones | Stick to ONE correct answer          |
| Overlooking a property    | Check all properties before deciding |
| Getting confused in GK    | Focus on logic, not memorization     |
| Missing digit patterns    | Write numbers in expanded form       |
| Ignoring symmetry         | Check vertical/horizontal symmetry   |

## PART 12: Practice Strategy

- First 10 sec: Quick scan all options
- Next 20 sec: Find common property
- Next 20 sec: Verify with another property
- Last 10 sec: Mark answer

**Priority order:** Number Classification (easiest, solve first) → Word Classification (moderate) → Figure Classification (time-consuming, solve last)

**Practice:** Solve 50+ PYQs from SSC CGL (2018–2023); also practice CHSL, CPO, MTS questions; use a timer to improve speed.

## Final Mantra

“Find the rule that binds 3 options together, and the one that breaks it is your answer!”

**Most Repeated Patterns:** Prime numbers (2,3,5,7,11) · Perfect squares (4,9,16,25,36) · Perfect cubes (8,27,64,125) · Odd/Even · Divisibility (3,5,7) · Consecutive digits (123,234,345,456) · Reverse digits (12,21; 13,31)

# SUBJECT 3: GRAMMAR — ACTIVE & PASSIVE VOICE

## PART 1: Basic Concepts

| Voice         | Definition                  | Focus                     |
|---------------|-----------------------------|---------------------------|
| Active Voice  | Subject performs the action | Subject → Action → Object |
| Passive Voice | Subject receives the action | Object → Action → Subject |

**Active Voice Formula:** Subject + Verb + Object Example: *Ram eats an apple.*

**Passive Voice Formula:** Subject (object of active) + Auxiliary Verb + V3 + by + Agent Example: *An apple is eaten by Ram.*

### Key Rules for Conversion

| Rule    | Active               | Passive                           |
|---------|----------------------|-----------------------------------|
| Subject | Performs action      | Receives action                   |
| Object  | Receives action      | Performs action (becomes subject) |
| Verb    | Main verb (V1/V2/V3) | Be + V3                           |
| By      | Not used             | Used before agent                 |

### 🔥 Verb Chart: Tense-wise Conversion

| Tense              | Active                             | Passive                             |
|--------------------|------------------------------------|-------------------------------------|
| Present Indefinite | Sub + V1(s/es) + Obj               | Obj + is/am/are + V3                |
| Present Continuous | Sub + is/am/are + V1-ing + Obj     | Obj + is/am/are + being + V3        |
| Present Perfect    | Sub + has/have + V3 + Obj          | Obj + has/have + been + V3          |
| Past Indefinite    | Sub + V2 + Obj                     | Obj + was/were + V3                 |
| Past Continuous    | Sub + was/were + V1-ing + Obj      | Obj + was/were + being + V3         |
| Past Perfect       | Sub + had + V3 + Obj               | Obj + had + been + V3               |
| Future Indefinite  | Sub + will/shall + V1 + Obj        | Obj + will/shall + be + V3          |
| Future Perfect     | Sub + will/shall + have + V3 + Obj | Obj + will/shall + have + been + V3 |

## PART 2: Detailed Tense Conversions

### 2.1 Present Tense

**A. Present Indefinite** — Formula: is/am/are + V3

| Active              | Passive                    |
|---------------------|----------------------------|
| I write a letter.   | A letter is written by me. |
| She eats an apple.  | An apple is eaten by her.  |
| They play cricket.  | Cricket is played by them. |
| He teaches English. | English is taught by him.  |

**B. Present Continuous** — Formula: is/am/are + being + V3

| Active                    | Passive                          |
|---------------------------|----------------------------------|
| I am writing a letter.    | A letter is being written by me. |
| She is eating an apple.   | An apple is being eaten by her.  |
| They are playing cricket. | Cricket is being played by them. |

**C. Present Perfect** — Formula: has/have + been + V3

| Active                    | Passive                          |
|---------------------------|----------------------------------|
| I have written a letter.  | A letter has been written by me. |
| She has eaten an apple.   | An apple has been eaten by her.  |
| They have played cricket. | Cricket has been played by them. |

### 2.2 Past Tense

**A. Past Indefinite** — Formula: was/were + V3

| Active               | Passive                     |
|----------------------|-----------------------------|
| I wrote a letter.    | A letter was written by me. |
| She ate an apple.    | An apple was eaten by her.  |
| They played cricket. | Cricket was played by them. |

**B. Past Continuous** — Formula: was/were + being + V3

| Active                   | Passive                           |
|--------------------------|-----------------------------------|
| I was writing a letter.  | A letter was being written by me. |
| She was eating an apple. | An apple was being eaten by her.  |

**C. Past Perfect** — Formula: had + been + V3

| Active                  | Passive                          |
|-------------------------|----------------------------------|
| I had written a letter. | A letter had been written by me. |
| She had eaten an apple. | An apple had been eaten by her.  |

2.3 Future Tense

**A. Future Indefinite** — Formula: will/shall + be + V3

| Active                 | Passive                         |
|------------------------|---------------------------------|
| I will write a letter. | A letter will be written by me. |
| She will eat an apple. | An apple will be eaten by her.  |

**B. Future Perfect** — Formula: will/shall + have + been + V3

| Active                        | Passive                                |
|-------------------------------|----------------------------------------|
| I will have written a letter. | A letter will have been written by me. |
| She will have eaten an apple. | An apple will have been eaten by her.  |

PART 3: Special Rules

3.1 Modal Verbs

Active: Sub + Modal + V1 + Obj → Passive: Obj + Modal + be + V3

| Active                       | Passive                              |
|------------------------------|--------------------------------------|
| He can solve the problem.    | The problem can be solved by him.    |
| She may help you.            | You may be helped by her.            |
| You must finish this work.   | This work must be finished by you.   |
| I should complete this task. | This task should be completed by me. |
| They might make a mistake.   | A mistake might be made by them.     |

3.2 Imperative Sentences

**A. Order/Command** — Active: Verb + Object → Passive: Let + Object + be + V3

| Active                  | Passive                          |
|-------------------------|----------------------------------|
| Open the door.          | Let the door be opened.          |
| Close the window.       | Let the window be closed.        |
| Bring a glass of water. | Let a glass of water be brought. |
| Complete the work.      | Let the work be completed.       |

**B. Advice/Suggestion** — Active: Verb + Object → Passive: Object + should be + V3

| Active               | Passive                          |
|----------------------|----------------------------------|
| Obey your parents.   | Your parents should be obeyed.   |
| Help the poor.       | The poor should be helped.       |
| Respect your elders. | Your elders should be respected. |

**C. Request** — Active: Please + Verb + Object → Passive: You are requested to + Verb + Object

| Active | Passive |
|--------|---------|
|        |         |

|                       |                                     |
|-----------------------|-------------------------------------|
| Please help me.       | You are requested to help me.       |
| Please sit down.      | You are requested to sit down.      |
| Please open the door. | You are requested to open the door. |

**D. Negative Imperative** — Active: Do not + Verb + Object → Passive: Let + Object + not be + V3

| Active                 | Passive                      |
|------------------------|------------------------------|
| Do not smoke.          | Let smoke not be smoked.     |
| Do not touch the wire. | Let the wire not be touched. |

**3.3 Infinitives**

Active: Sub + Verb + to + V1 + Object → Passive: Sub + Verb + to + be + V3 + Object

| Active                   | Passive                       |
|--------------------------|-------------------------------|
| I want to eat an apple.  | I want an apple to be eaten.  |
| He wishes to buy a car.  | He wishes a car to be bought. |
| She likes to sing songs. | She likes songs to be sung.   |

**3.4 Gerunds**

Active: Sub + Verb + V1-ing + Object → Passive: Sub + Verb + being + V3 + Object

| Active                 | Passive                    |
|------------------------|----------------------------|
| I love eating apples.  | I love apples being eaten. |
| He hates telling lies. | He hates lies being told.  |

**3.5 Double Objects (Dative Verbs)**

Verbs: Give, Send, Buy, Show, Tell, Teach, Offer, Promise, etc. Both objects can become the passive subject.

Example: *I gave him a book.* - Passive 1: A book was given to him by me. (Direct Object → Subject) - Passive 2: He was given a book by me. (Indirect Object → Subject)

| Active                  | Passive 1                         | Passive 2                     |
|-------------------------|-----------------------------------|-------------------------------|
| She sent me a letter.   | A letter was sent to me by her.   | I was sent a letter by her.   |
| They offered him a job. | A job was offered to him by them. | He was offered a job by them. |
| He bought me a gift.    | A gift was bought for me by him.  | I was bought a gift by him.   |

**3.6 Preposition + Object**

Active: Sub + Verb + Preposition + Object → Passive: Object + Aux Verb + V3 + Preposition + by + Subject

| Active                      | Passive                            |
|-----------------------------|------------------------------------|
| She looked at the picture.  | The picture was looked at by her.  |
| He laughed at me.           | I was laughed at by him.           |
| They listened to the music. | The music was listened to by them. |
| He insisted on this plan.   | This plan was insisted on by him.  |

**3.7 Intransitive Verbs (No Passive)**

Verbs with no object: Sleep, Sit, Run, Walk, Die, Go, Come, Happen, Occur, Arrive, Depart, etc. — cannot be made passive. **Exception:** If followed by a preposition, passive is possible. Active: *He slept on the bed.* → Passive: *The bed was slept on by him.* ✓

**3.8 ‘By’ Omission**

| Situation          | Example                             |
|--------------------|-------------------------------------|
| Unknown agent      | My purse was stolen.                |
| Obvious agent      | The thief was arrested. (by police) |
| General truth      | English is spoken here.             |
| Instruction/Order  | Work should be completed.           |
| Reflexive pronouns | He killed himself. → He was killed. |

**PART 4: SSC CGL PYQs — Active/Passive (Selected)**

| Q | Sentence | Answer |
|---|----------|--------|
|---|----------|--------|

|            |                                                         |                                                                               |
|------------|---------------------------------------------------------|-------------------------------------------------------------------------------|
| Q1 (2020)  | “The boys were playing cricket.” (Passive)              | Cricket <b>was being played</b> by the boys.                                  |
| Q2 (2019)  | “A letter was written by her.” (Active)                 | She <b>wrote</b> a letter.                                                    |
| Q3 (2021)  | “She will have completed the project.” (Passive)        | The project <b>will have been completed</b> by her.                           |
| Q4 (2020)  | “I have to finish this work.” (Passive)                 | This work <b>has to be finished</b> by me.                                    |
| Q5 (2019)  | “The thief was arrested.” (Active)                      | The police <b>arrested</b> the thief.                                         |
| Q6 (2021)  | “Do not pluck the flowers.” (Passive)                   | <b>Let the flowers not be plucked.</b>                                        |
| Q7 (2020)  | “Please open the door.” (Passive)                       | <b>You are requested to</b> open the door.                                    |
| Q8 (2019)  | “She gave me a book.” (Passive)                         | Both: “A book was given to me by her” <b>and</b> “I was given a book by her.” |

| Q21 (2020) | “He was made to work.” (Active)                         | They <b>made him work</b> .                                                   |
| Q22 (2019) | “He made me work.” (Passive)                            | I <b>was made to work</b> by him.                                             |
| Q23 (2021) | “He is to do this work.” (Passive)                      | This work <b>is to be done</b> by him.                                        |
| Q24 (2020) | “Who broke this glass?” (Passive)                       | <b>By whom was</b> this glass broken?                                         |
| Q25 (2019) | “By whom was this letter written?” (Active)             | <b>Who wrote</b> this letter?                                                 |
| Q26 (2021) | “They have built a new hospital.” (Passive)             | A new hospital <b>has been built</b> by them.                                 |
| Q27 (2020) | “Close the window.” (Passive)                           | <b>Let the window be closed.</b>                                              |
| Q28 (2021) | “The teacher will punish the students.” (Passive)       | The students <b>will be punished</b> by the teacher.                          |
| Q29 (2019) | “The work has been completed by them.” (Active)         | They <b>have completed</b> the work.                                          |
| Q30 (2020) | “People will remember him for his kindness.” (Passive)  | He <b>will be remembered</b> for his kindness.                                |
| Q31 (2021) | “She sings a beautiful song.” (Passive)                 | A beautiful song <b>is sung</b> by her.                                       |
| Q32 (2019) | “I saw him crossing the road.” (Passive)                | He <b>was seen crossing</b> the road by me.                                   |
| Q33 (2020) | “Respect your teachers.” (Passive)                      | Your teachers <b>should be respected</b> .                                    |
| Q34 (2021) | “The decision was taken by the committee.” (Active)     | The committee <b>took</b> the decision.                                       |
| Q35 (2019) | “He likes people to respect him.” (Passive)             | He <b>likes to be respected</b> .                                             |

## PART 5: Advanced Concepts

### 5.1 Infinitive Without ‘To’ (Causative Verbs)

Make, Let, Help, See, Hear, Watch, Feel, Observe, Notice

| Active                      | Passive                        |
|-----------------------------|--------------------------------|
| He made me work.            | I was made to work.            |
| She saw him cross the road. | He was seen to cross the road. |
| I heard her sing.           | She was heard to sing.         |

### 5.2 Reflexive Pronouns

| Active             | Passive        |
|--------------------|----------------|
| He killed himself. | He was killed. |
| She hurt herself.  | She was hurt.  |

|                          |                       |
|--------------------------|-----------------------|
| They enjoyed themselves. | ✗ No passive possible |
|--------------------------|-----------------------|

5.3 Phrasal Verbs

| Active                       | Passive                              |
|------------------------------|--------------------------------------|
| He turned down the proposal. | The proposal was turned down by him. |
| She gave up the job.         | The job was given up by her.         |
| They looked after the child. | The child was looked after by them.  |

5.4 ‘It’ as Subject

| Active                        | Passive                                                            |
|-------------------------------|--------------------------------------------------------------------|
| They say he is a thief.       | It is said that he is a thief. / He is said to be a thief.         |
| People believe she is honest. | It is believed that she is honest. / She is believed to be honest. |

5.5 ‘Let’ Structure

| Active               | Passive                      |
|----------------------|------------------------------|
| Let him do the work. | Let the work be done by him. |
| Let me help you.     | Let you be helped by me.     |
| Let us go.           | ✗ No passive possible        |

PART 6: Golden Rules

- 1. Subject of Active → Object of Passive; Object of Active → Subject of Passive
- 2. Add auxiliary (be/being/been) + V3; remove active auxiliary (is/am/are/was/were/has/have/had/will)
- 3. Use ‘by’ before agent; omit if unknown/obvious
- 4. In interrogatives, keep the question word at the beginning
- 5. In negatives, keep ‘not’ in the same position
- 6. If the verb has a preposition, keep it right after V3

PART 7: Common Mistakes

| Mistake                  | Correction                      |
|--------------------------|---------------------------------|
| I am known by him.       | I am known <b>to</b> him.       |
| He was made work.        | He was made <b>to</b> work.     |
| I was born by my mother. | I was born <b>to</b> my mother. |

PART 8: Important V3 (Past Participle) Vocabulary

| Verb   | V3      |
|--------|---------|
| Write  | Written |
| Eat    | Eaten   |
| Drink  | Drunk   |
| Take   | Taken   |
| Give   | Given   |
| See    | Seen    |
| Know   | Known   |
| Speak  | Spoken  |
| Choose | Chosen  |
| Drive  | Driven  |

 Final Mantra

“In Active, Subject acts; in Passive, Subject is acted upon. Master the tenses, and you’ve mastered the voice!”

**Memory Trick:** Active → Subject + Verb + Object | Passive → Object + be/being/been + V3 + by + Subject

**Exam Tips:** Read the full sentence · Identify the tense · Apply correct formula · Check for ‘by’ omission · Verify answer options · Don’t spend more than 30 seconds

 **SUBJECT 4: STATIC GK — INDIAN POLITY (Constitution, Preamble, Fundamental Rights)**

**PART 1: The Constitution of India — Overview**

**1.1 Key Facts**

| Feature                                  | Details                                   |
|------------------------------------------|-------------------------------------------|
| Adopted                                  | November 26, 1949                         |
| Enforced                                 | January 26, 1950 (Republic Day)           |
| Length                                   | Longest written constitution in the world |
| Parts                                    | 25 Parts (originally 22)                  |
| Schedules                                | 12 Schedules (originally 8)               |
| Articles                                 | 448 Articles (originally 395)             |
| Amendments                               | 106th Amendment (as of 2024)              |
| Drafting Committee Chairman              | Dr. B.R. Ambedkar                         |
| Permanent Chairman, Constituent Assembly | Dr. Rajendra Prasad                       |

**1.2 Sources of the Indian Constitution**

| Borrowed From                | Features                                                                                              |
|------------------------------|-------------------------------------------------------------------------------------------------------|
| Government of India Act 1935 | Federal scheme, Office of Governor, Emergency powers, Federal judiciary                               |
| Britain (UK)                 | Parliamentary system, Rule of Law, Single citizenship, Law-making procedure                           |
| USA                          | Fundamental Rights, Judicial Review, Preamble, Independence of Judiciary, Removal of SC/HC judges     |
| Canada                       | Federation with strong Centre, Residuary powers to Centre                                             |
| Ireland                      | Directive Principles of State Policy (DPSP), Method of Presidential election, Rajya Sabha nominations |
| Germany                      | Suspension of FRs during Emergency                                                                    |
| Australia                    | Concurrent List                                                                                       |
| South Africa                 | Amendment with 2/3rd majority, Rajya Sabha proportional representation                                |

**1.3 Important Parts & Articles**

| Part  | Articles   | Subject Matter                       |
|-------|------------|--------------------------------------|
| I     | 1-4        | The Union and its Territory          |
| II    | 5-11       | Citizenship                          |
| III   | 12-35      | Fundamental Rights ★                 |
| IV    | 36-51      | Directive Principles of State Policy |
| IVA   | 51A        | Fundamental Duties                   |
| V     | 52-151     | The Union Government                 |
| VI    | 152-237    | The State Government                 |
| VIII  | 239-242    | Union Territories                    |
| IX    | 243-243O   | Panchayats                           |
| IXA   | 243P-243ZG | Municipalities                       |
| XI    | 245-263    | Centre-State Relations               |
| XII   | 264-300A   | Finance, Property, Contracts         |
| XV    | 324-329    | Elections & Election Commission      |
| XVIII | 352-360    | Emergency Provisions ★               |
| XX    | 368        | Amendment of Constitution ★          |

**1.4 Important Schedules**

| Schedule     | Deals With                 |
|--------------|----------------------------|
| 1st Schedule | States & Union Territories |

|               |                                   |
|---------------|-----------------------------------|
| 8th Schedule  | Official Languages (22 languages) |
| 10th Schedule | Anti-Defection Law                |
| 12th Schedule | Municipalities                    |

## 1.5 Important Constitutional Amendments

| Amendment       | Year | Key Provisions                                                                                        |
|-----------------|------|-------------------------------------------------------------------------------------------------------|
| 42nd Amendment  | 1976 | “Mini Constitution” — Added Socialist, Secular, Integrity to Preamble; Added Fundamental Duties (51A) |
| 44th Amendment  | 1978 | Restored FRs diluted by 42nd; Right to Property removed as FR (became legal right under Art. 300A)    |
| 73rd Amendment  | 1992 | Panchayati Raj Institutions (Part IX)                                                                 |
| 74th Amendment  | 1992 | Municipalities (Part IXA)                                                                             |
| 86th Amendment  | 2002 | Right to Education (Art. 21A) — 6–14 years                                                            |
| 101st Amendment | 2016 | Goods & Services Tax (GST)                                                                            |

## PART 2: The Preamble — Soul of the Constitution

### 2.1 The Preamble Text

“We, the people of India, having solemnly resolved to constitute India into a SOVEREIGN, SOCIALIST, SECULAR, DEMOCRATIC REPUBLIC and to secure to all its citizens: JUSTICE — social, economic and political; LIBERTY — of thought, expression, belief, faith and worship; EQUALITY — of status and of opportunity; and to promote among them all FRATERNITY — assuring the dignity of the individual and the unity and integrity of the Nation. In our Constituent Assembly on this twenty-sixth day of November, 1949, we do hereby adopt, enact and give ourselves this Constitution.”

### 2.2 Key Words in the Preamble

| Keyword    | Meaning                                                                             |
|------------|-------------------------------------------------------------------------------------|
| Sovereign  | India is independent; free from external control                                    |
| Socialist  | Commitment to social justice & welfare (Added by 42nd Amendment, 1976)              |
| Secular    | No state religion; equal treatment of all religions (Added by 42nd Amendment, 1976) |
| Democratic | Government of the people, by the people, for the people                             |
| Republic   | Head of State is elected (not hereditary)                                           |

### 2.3 Preamble — Quick Facts

| Fact                                 | Detail                                                      |
|--------------------------------------|-------------------------------------------------------------|
| Proposed by                          | Jawaharlal Nehru (Objectives Resolution)                    |
| First Amendment                      | 42nd Amendment (1976) — added Socialist, Secular, Integrity |
| Called “Keynote to the Constitution” | Ernest Barker                                               |
| Called “Horoscope of Republic”       | K.M. Munshi                                                 |
| Source of Preamble idea              | Constitution of USA                                         |

## PART 3: Fundamental Rights — Part III (Articles 12-35)

### 3.1 Overview

- Total Rights Originally: 7 · Currently: 6 (Right to Property removed)
- Covered in Part III, Articles 12–35
- Called “Heart & Soul of the Constitution” by Dr. B.R. Ambedkar (Article 32)
- Enforceable by Supreme Court & High Courts via Writs

### 3.2 Six Fundamental Rights

#### 🔑 1. Right to Equality (Articles 14-18)

| Article | Provision                                                                              |
|---------|----------------------------------------------------------------------------------------|
| Art. 14 | Equality before law & equal protection of laws                                         |
| Art. 15 | Prohibition of discrimination on grounds of religion, race, caste, sex, place of birth |

|         |                                                                       |
|---------|-----------------------------------------------------------------------|
| Art. 16 | Equality of opportunity in public employment                          |
| Art. 17 | Abolition of Untouchability (enforceable against private individuals) |
| Art. 18 | Abolition of titles (except military/academic)                        |

🔴 2. Right to Freedom (Articles 19-22)

| Article  | Provision                                                                                                  |
|----------|------------------------------------------------------------------------------------------------------------|
| Art. 19  | Six Freedoms: speech & expression, assembly, association/union, movement, residence, profession/occupation |

Promote harmony & spirit of common brotherhood 6. Preserve rich heritage & composite culture 7. Protect & improve natural environment 8. Develop scientific temper & humanism 9. Safeguard public property 10. Strive towards excellence

PART 5: SSC CGL PYQs — Practice Questions

| Q   | Question                                                            | Answer                                               |
|-----|---------------------------------------------------------------------|------------------------------------------------------|
| Q1  | Which FR is the “heart and soul” of the Constitution?               | (c) Right to Constitutional Remedies (Art. 32)       |
| Q2  | Under which article can FRs of Armed Forces members be restricted?  | (d) Article 33                                       |
| Q3  | The idea of the Preamble has been borrowed from:                    | (a) US Constitution                                  |
| Q4  | “Secular” was added to Preamble by which Amendment?                 | (b) 42nd Amendment                                   |
| Q5  | Article 17 deals with:                                              | (c) Abolition of untouchability                      |
| Q6  | Amendment that added “Socialist” & “Secular” to Preamble:           | (b) 42nd Amendment Act, 1976                         |
| Q7  | Which is an extra-Constitutional body?                              | (b) Planning Commission (now NITI Aayog)             |
| Q8  | Fundamental Duties borrowed from which country’s constitution?      | (b) Erstwhile USSR                                   |
| Q9  | Which provision cannot be amended (Basic Structure Doctrine)?       | (a) Judicial Review (Kesavananda Bharati case, 1973) |
| Q10 | Right to Property ceased to be a FR by which Amendment?             | (a) 44th Amendment                                   |
| Q11 | Who called Preamble the “keynote to the Constitution”?              | (a) Ernest Barker                                    |
| Q12 | Article invoked for failure of constitutional machinery in a state: | (c) Article 356 (President’s Rule)                   |
| Q13 | How many fundamental rights are guaranteed now?                     | (c) 6                                                |
| Q14 | Who is the custodian of the Indian Constitution?                    | (b) Chief Justice of India / Supreme Court           |
| Q15 | Constituent Assembly was formulated on the recommendation of:       | (d) Cabinet Mission Plan (1946)                      |

PART 6: Quick Revision Table

| Topic                            | Key Point                                |
|----------------------------------|------------------------------------------|
| Constitution Adoption            | 26 Nov 1949                              |
| Constitution Enforcement         | 26 Jan 1950                              |
| Drafting Committee Chairman      | Dr. B.R. Ambedkar                        |
| Permanent Chairman of CA         | Dr. Rajendra Prasad                      |
| Preamble Borrowed From           | USA Constitution                         |
| DPSP Borrowed From               | Ireland Constitution                     |
| Fundamental Duties Borrowed From | USSR Constitution                        |
| Preamble Amendment               | 42nd Amendment, 1976                     |
| “Heart & Soul”                   | Article 32                               |
| FR Removed                       | Right to Property (44th Amendment, 1978) |
| Right to Education               | Article 21A (86th Amendment, 2002)       |
| Fundamental Duties               | Article 51A (42nd Amendment, 1976)       |
| Emergency Provisions             | Articles 352–360                         |
| Constitutional Amendment         | Article 368                              |

PART 7: Golden Rules

- Focus on key articles:** Art. 14 (Equality) · Art. 19 (Six Freedoms) · Art. 21 (Life & Liberty) · Art. 21A (Education) · Art. 32 (Heart & Soul) · Art. 356 (President’s Rule) · Art. 368 (Amendment Procedure)
- Know the amendments:** 42nd (Mini Constitution) · 44th (Restored FRs, removed Right to Property) · 73rd & 74th (Local Self-Government)
- Don’t confuse sources:** Preamble → USA · DPSP → Ireland · Fundamental Duties → USSR
- Remember key personalities:** Dr. Ambedkar (Drafting Committee) · Jawaharlal Nehru (Objectives Resolution/Preamble) · Dr. Rajendra Prasad (Permanent Chairman of CA)

## PART 8: Weightage & Strategy

| Topic                       | Tier 1 Questions | Tier 2 Questions |
|-----------------------------|------------------|------------------|
| Constitution Basics         | 2-3              | 3-4              |
| Fundamental Rights & Duties | 2-3              | 3-5              |
| Preamble                    | 1-2              | 1-2              |
| Union & State Government    | 2-3              | 4-5              |
| Judiciary                   | 1-2              | 2-3              |
| Amendments & Articles       | 1-2              | 2-3              |

**Total:** ~8-10 questions in Tier 1; ~11-16 questions in Tier 2

**Exam Day Tips:** Read carefully — look for “not,” “except,” “originally” · Know exact article numbers for key provisions · Remember amendment numbers for key changes · Don’t spend more than 30 sec/question · Eliminate obvious wrong options first

### Final Mantra

“Constitution is the framework, Preamble is the soul, Fundamental Rights are the guarantees — know these three, and you’ve mastered the core of Indian Polity for SSC CGL!”

**Must-Read Resources:** NCERTs (Class 9-12) · Laxmikanth’s Indian Polity · SSC Previous Year Papers (2018-2023) · Monthly Current Affairs

## DAY 4 — OVERALL SUMMARY

| Subject                 | Weightage (per shift)         | Priority Focus Areas                                             |
|-------------------------|-------------------------------|------------------------------------------------------------------|
| Profit, Loss & Discount | 2-3 questions                 | CP of x = SP of y · Successive P/L · MP-Discount-Profit relation |
| Classification          | 2-4 questions                 | Number classification (easiest) → Word → Figure                  |
| Active & Passive Voice  | Moderate-High                 | Present/Past Indefinite · Modal Verbs · Imperative sentences     |
| Indian Polity           | 8-10 (Tier 1), 11-16 (Tier 2) | Fundamental Rights, Preamble keywords, key Amendments            |

**Study Tip:** Revise formulae and article numbers daily; practice 50+ PYQs per subject; time yourself at 30 sec-2 min per question depending on subject.
